

Small Group Swim Lessons

Beginning Monday, March 1, 2021

Six consecutive week sessions

Swim Team Clinic and Endurance Swim Class

Instructor refines the four basic swim strokes.

Levels 4-5

Students are ready to build on and improve their combined swim strokes.

Level 4 (ages 5+)

Participants will perform and learn stroke development and increase their endurance by swimming familiar strokes for greater distance.

Level 5 (ages 6+)

Participants will learn the coordination and refinement of all strokes: front and back crawl, elementary backstroke, breast-stroke, butterfly and side stroke as well as increase their distance.

Level 6 Advanced (Ages 7+)

This class goes beyond basic stroke education and applies what participants have learned in prior levels.
